EFS Catering Tasting Policy

A Tasting is an important part of your event or reception wedding planning process, as a client you want to try the food that you are having at your event to be sure it is exactly what you are looking for regarding flavor, freshness and presentation. Below are listed the EFS Catering Tasting Guidelines:

- **We do not offer tasting of Appetizers or Hors D'oeuvres.** Each tasting will follow the entrée and sides selection listed in your proposal and will include up to 7 total options to try. If you would like to taste an item outside of the 7 items perimeter there will be an additional charge.
- You need to schedule an appointment for your tasting at least with two to three weeks in advance. Tastings are available Monday through Thursday. **We do not schedule tastings on the weekends.**
- Menu tastings **will only be scheduled after your date has been confirmed** with the deposit amount written in the contract. We provide flexible deposits and you can choose the amount you would like to place as deposit for your event. Should you decide later to cancel your contract with EFS Catering then you will be refunded your deposit with a small administration fee.
- A complimentary tasting, for up to 4 guests, for events valued at or in excess of \$5,000. For events totaling less than \$5,000, the cost for a tasting is \$25 per person. Additional tastings are subject to charge.
- You may select up to 7 items from your proposal and our menu to try at your tasting. This will include 3 entrees, 2 starches and 2 sides. **Carving station entrees will not be Included*

Note* You may customize a tasting to include up to 12 total items for \$100.00 and up to 4 people may attend. This may include additional entrée and side selections.

Be sure to come hungry! There will be plenty to eat and anything you can't finish will be packed up for you to take home.

- **If you are unsure about making a reservation with EFS Catering for your event until you taste the food, please contact your sales representative to join our monthly group tasting events.** Group tasting events are free and include many items to try as well as a preview into our food presentation and service staff attire and performance. At these events there is a chef's selection of popular appetizers, entrees and sides as well as plated salad and 1 glass of wine per person. If you attend one of these events there will be a charge should you decide to schedule a second private tasting.

Please Fill Out the Below Form and Send Back Via Email to Your Sales Coordinator to Begin the Scheduling Process for Your Tasting.

We look so forward to helping you design your event menu and to meeting you! It is our goal and intention to help you create beautiful & delicious memories that last a life time.

Sincerely,

The EFS Catering and Events Team 😊
